Mothers never really die
they just keep house up in the sky
Death beckoned with out-stretched hand
And whispered softly of "an unknown land"
But she was not afraid to go,
For though the path she did not know
She took death's hand without fear,
For He who safely brought her here
Had told her He would lead the way.
Into eternity's bright day, and so
She did not go alone into the
"Valley that's unknown"
