## When Tomorrow Starts Without Me

*When tomorrow starts without me, and I'm not there to see; if the sun should rise and find your eyes, all filled with tears for me: I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say.*

*I know how much you love me, as much as I love you, and each time that you think of me, I know you'll miss me too.*

*When tomorrow starts without me, please try to understand, that an angel came and called my name, and took me by the hand and said. She said place was ready, in heaven far above and that I'd have to leave behind, all those I dearly love.*

*I thought of all the yesterdays, the good ones and the bad. I thought of all the love we shared, and all the fun we had. If I could relive yesterday, just even for a while, I'd say goodbye and kiss you and maybe see you smile.*

*But then I fully realized that this could never be; for emptiness and memories would take the place of me. And then I thought of worldly things I might miss come tomorrow I thought of you, and when I did, my heart was filled with sorrow*

*But when I walked through heaven's gates, I felt so much at home; When God looked down and smiled at me, from His great golden throne. He said "This is eternity, and all I've promised you; today for life on earth is past, but here it all starts anew." "I promise no tomorrow, but today will always last; and since each day's the same day, there's no longing for the past." "But you have been so faithful, so trusting and so true; though at times you did do things, you knew you shouldn't do." "But you have been forgiven and now at last you're free; so won't you take my hand and share my life with me?"*

*So when tomorrow starts without me, don't think we're far apart...*

*For every time you think of me, I'm right here... in your heart.*
