*"To Those
I Love
And
Those Who
Love Me"*

*When I am gone,
release me, let me go
I have so many things to see and do.
You mustn't tie yourself to me with tears;
Be happy we had so many years.
I gave you my love,
You can only guess how much
you gave me in happiness.
I thank you for the love
You have shown me;
If grieve you must.
Than let your grief be comforted by trust.
It's only for a while that we must part,
So bless the memories within your heart.
I won't be far away for life goes on.
So if you need me,
Call me and I will be near
And if you listen with your heart,
You'll hear
All my love around you,
Soft and clear,
And when you must come this way alone,
I'll greet you with a smile,
and "Welcome Home."*

I found this poem and many others but, this one stood out. We all have our memories of Ma. We sometimes as children forget the little things our parents do for us. I want each of my siblings to take a moment and think of something Ma said or did. NOW SMILE!

Thank You
