Heaven Has Gained An Angel

*As you complete this temporary journey
you have embraced our hearts
Yes we mourn but realize this is where your life truly starts
your smile sparkled greater
than silver and gold We're willing to let go of your hand so
that God can grab hold . We will always love you as you have
continued to love us all we ask now is that you look down
while you are above us we are grateful that God put us in the
midst of your presence we breathe with your memory and walk
with your essence. The Lord is our Shepherd He tends to us
as sheep and mends the hearts that are weak until one day we
can shake his hand and sit at his feet we don't think of you as
a loss to our family that remains We cherish you as a beautiful
angel that heaven has gained!*
