Hi Mommy & Daddy

It's me, your little Angel just checking in with you.
I know you're sad because I'm gone, and Mommy & Daddy I'm sad too.

It's beautiful here, wherever I am, there's such a lovely view.
But mostly when I'm sitting here I'm looking down at you.

I see all your feelings, everyday when I look down,
I love to see you smile and I know sometimes you frown
But guess what? I have a job to do. God saved it for your little girl.
I get to watch over you and protect you from the world.

So though you cannot see me and I know it's hard on you,
You'll surely see the benefits of the job God has me do.

Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts, We Thank You, Whatever the part.
