Obituary

Christina S. Jamison-Hill, also known to family and friends as "Angel" was born on December 30th 1984 to the late Peola Green-Gattison and James Jamison. Christina was born and raised in Newark, NJ where she developed into a beautiful young lady with a big heart.

She attended Newark public schools all of her life until she graduated from Essex County Vocational High School in 2002. In September 2003, she attended Job Corps where she met and married her loving husband, Ramziddin Hill. Shortly after her marriage, she moved back to Newark, NJ where she was surrounded by her loving family and friends.

Throughout her adult years she took a liking to fashion and herself and her husband began to indulge in the modeling scene. Christina considered herself NJ's Next Top Model and so did many others. She and her husband had the opportunity to participate in a major fashion show entitled "Newark Next Top Model" which boosted her confidence and modeling capabilities. Christina always believed that the sky was the limit and had the confidence to back up her wonderful personality.

Christina leaves behind: a wonderful husband, Ramziddin Hill; a loving grandfather, John Green; supportive family members including aunts, uncles and cousins, along with a tremendous number of friends. Her loving spirit and big heart will be missed by all.

I Am Always With You

I am always with you
When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself
to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I travelled on alone.
So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near
And if you listen with your heart, you'll hear
All my love around you soft and clear
And then, when you come this way alone,
I'll greet you with a smile and a
"Welcome Home".
