## Obituary

**Margaret Angela Hibbert-Evans** was born October 26, 1961 in Kingston Jamaica, WI. She was the sixth of eight siblings born to Arthur and Sylvia Hibbert; Olive Cater, Cedric Hibbert, Donald Hibbert, Carlton Hibbert, Patrick Hibbert, Karen Haynes and Marlene Hibbert.

She met and fell in love with her husband, Peter Evans, and they were married on September 21, 1991 and they lived happily together until her passing.

Margaret was employed as an Occupational Therapist.

“Angela,” as she was affectionately known by her family and friends, was a daughter, sister, wife, aunt, cousin and friend.

Angela had great fashion sense, she always showed beauty and style.

She was a great business woman, very industrious and committed in anything she strived for. She knew how to get things done!

Life was not always easy for Angela, at times she came across as pretty tough, but Angela defiantly had a soft side for anyone in need. She had a huge heart and a soft spot, especially towards her parents whom she loved and cared for to the best of her ability. Most of all she loved, adored and cherished her nieces and nephews. She would take time to pull them aside to talk to them. They even had their own private jokes. At times she would refer to them as her children. Angela was always willing to help them if she could, regardless of the expense.

Angela always tried to make people laugh even at difficult times. When her brother and sisters, would visit her in the hospital crying over her condition, she would tell jokes trying to make them feel better. Comforting them, telling them not to worry she will be fine.

*Angela, your family and friends will truly miss your smile.*

# *After Glow*

*I'd like the memory of me  
To be a happy one,  
I'd like to leave an afterglow  
Of smiles when day is done.  
I'd like to leave an echo  
Whispering softly down the ways,  
Of happy times and laughing times  
And bright and sunny days.  
I'd like the tears of those who grieve  
To dry before the sun  
Of happy memories that I leave behind,  
When day is done.*
