Tomorrow Starts Without Me

*When tomorrow starts without me,
and I'm not there to see
if the sun should rise and find your eyes,
all filled with tears for me.*

*I wish so much you wouldn't cry,
the way you did today,
while thinking of the many things,
we didn't get to say.*

*I know how much you love me,
as much as I love you,
and each time that you think of me,
I know you'll miss me too.
But when tomorrow starts without me,
please try to understand
that an angel came and called my name,
and took me by the hand*

*and said, "my place was ready,
in heaven far above
and that I'd have to leave behind,
all those I dearly love."*

*But when I turned to walk away,
a tear fell from my eye
For all my life, did always thought.
I didn't want to die.*

Acknowledgement

*The family acknowledges with deep appreciation all acts of
kindness extended to them during this bereavement hour.
God bless you for all your thoughtfulness and concern.*
