The Life of Jason Johvani Miranda

JASON JOHVANI MIRANDA was born to Reverend Alicia Hernandez and Juan Miranda on September 26, 1987 in Columbus Hospital, Newark, NJ. He was one of three children born of this relationship, Amarilis Miranda (deceased at birth) and Johanna Sylvette Miranda.

Jason Johvani was educated in the Phoenix Center in Nutley, NJ and during his years at the center, he worked in identifying the days of the week, month of the years, season etc. Jason in the classrooms had different jobs, he cleaned tables and windows, watered the plants as well as retrieved and delivered messages with light and verbal prompting. Jason Johvani participated in the community on based instruction program twice a month. He worked on skills such as buckling his seat belt in the van, identifying and retrieving grocery items. Jason kept good behavior in the community. Jason was an active member of the Church Lights of Christ where his favorite instrument was the tambourine. Some of his hobbies were playing with his toy soldiers, listening to his piano, wrapping potato chips bags around his arms, and listening to music.

The Master Called

I'm sorry I had to leave you. My loved ones oh so dear.

Because you see, the Master called me, His voice was very clear!

I had made my reservation, A heaven bound ticket for one,
And I knew that He would call me, When he felt my work was done.

I know that your hearts are heavy because I have gone away
But when the Master called me, I knew that I could not stay.

Yes, I'm sorry I had to loved ones, oh so dear
But, you see, the Master called me and, now I'm resting here.

Yes, I've crossed on over to glory and to you all I say
Just stay in the hands of Jesus and we'll meet again someday.
