Obituary

Consuelo Wilson, known to some as India, made her mark in life as a person that understood what true beauty really is. Her knowledge of life carried her and she possessed an unconditional love that defined who she was.

She was born in New York City, her parents are Clarrie Springer and Tyree Wilson. She had a close relationship with brother Arthur. Her life could fill a book, she is an artist, a model, a fashionista and a loving mother. These successful endeavors scratch the surface of who she is. She was a graduate from Pratt Institute with a major in Fashion Design. Her passion for arts and crafts were extensive. She made cultural cards, candles, soaps and had a desire for knitting.

She is an active stockbroker and always had an eye for real estate. She loves to garden and could bring the best out of them. Consuelo was a very health conscious person, eating only the best and to the best of her ability made her body a temple. Her understanding of fashion was unlimited. Her modeling career took her to different parts of the world and she experienced a lifetime of adventures. She is a connoisseur of her art.

She has given more to the world than she received and for that she will be missed by her two sons, family, friends and everyone she touched in her life.

I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call
I turned my back and left it all.*

I could not stay another day.

*To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.*

*If my parting has left a void,
Then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.*

*My life's been full, I savored much.
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free!*
