Reflections of Life

Milton Jones was born in Richland, Georgia to Fred and Julia Brown Jones. Milton entered eternal rest on Wednesday, February 8, 2012.

Milton grew up in Richland, Georgia and when he graduated from Richland High School he started working for the Coca Cola Plant there. Milton went on to work for the A&P Bakery in Savannah, Georgia during that time he realized that he enjoyed the art of baking and made it his career. He then moved to Newark where he started working for the A&P Bakery there. When Milton wasn't baking decided that he would enjoy the art of Physical Fitness and became a student with Jack LaLanne and completed the self instruction training course. He also became a free lance photographer and would attend special ceremonies such as weddings, birthday parties and special occasion events for hire. Throughout his baking career, Milton received numerous awards for his outstanding work as an employee.

Milton was also pride of the accomplishments of his children. When his son Reggie became part of the World Pan-American games and won the Bronze medal as a Middle weight boxer, Milton attended all his matches as a proud father. He also would tell everyone that he had a son who was a police officer with East Orange and always demonstrated that he was a proud father. No matter what occupation his children worked in he was always there to give support and show his love for their accomplishments.

Milton enjoyed fishing and loved sports especially boxing, Milton was also a jolly person; he would always greet you with a smile and laughter. He loved people.

Milton leaves to cherish his memory: children, Reggie, Emma, Michael and Mary Dickson, and two sisters Anna & Julia Jones; his grandchildren; and a host of other relatives and friends. He was predeceased by his sons, Milton, Jr., and Ernest.

“For My Friends”

When I must leave you for a little while please do not grieve and shed wild tears and hug your sorrow to you through the years but start out bravely with a gallant smile: and for sake and in my name live on and do all things the same, feed to your loneliness on empty days, but fill each waking hour in useful ways, reach out your hand in comfort and in cheer and I in turn will comfort you and hold you near; and never, never, be afraid to die. For I am waiting for you in the sky!

Love, Milton
