A Woman Of Success

*Who has lived well, laughed often, and loved much;
Who has gained respect of men and women
and the love of children;
Who has filled her niche and accomplished her task;
Who has fought a good fight; finished her course; and kept
faith with those she loved,
Who leaves the world better than she found it;
Who has never lacked appreciation for life's beauty nor
failed to express its grace
Who looked for the best in others and always
gave the best she had...
She will be missed!
