Today

Today is the best day of my life

Because I am alive

I am giving thanks to God for allowing me to live for today

I am not sure where I will be tomorrow neither
where I will be after this life

But I believe what Jesus said, that he is going
to prepare a place for us

And that he will come again to receive us

So if I live my life according to His "Word"

To obey His will to do unto others as I would want them to
do unto me, then I would not be in far ,

So let the Holy Spirit of God live in me today.

By Arthur
