A white dove is shown in flight, wings spread wide, flying over a field of white daisies. The background is a soft, cloudy sky. The overall scene is peaceful and symbolic of peace and hope.

I spent the last ten years taking care of my mom and I spent the last three years taking care of my son. They were my life. There is nothing I would rather do then to take care of them. Again they were my life and now that their gone I feel like my life is over. Tell me how do I continue to live when the two people I lived for are no longer here. I have no purpose in life I'm ready for God to take me out of my misery.

Acknowledgements

The family wishes to express their deepest and most sincere thanks to all who shared with them in this time of sorrow.

May God bless and keep you in a most gracious way.
