## *Reflections of Life*

**LWJ** was the first born son of Louis and Louise Wilder on July 14, 1955. During grade school Louis Jr. loved to watch baseball and listen to music.

As he grew older he attended Samuel Gompers High School where he found his niche and a love of diddling in electronics and became a gadget master. He loved to work on gadgets and his family turned to him whenever they needed repairs or knowledge with household gadgets and other electronics.

"Bo", as we affectionately called him, would come and help his whole family with anything we would ask without a fuss he would do it. We loved Bo and he loved us. He also loved taking pictures and over the many years he has taken countless of photos and presented them to the family.

Bo was a hard worker and his trade was a truck driver. He drove for a packing company and then for Pfizer Pharmaceutical until his series of health issues put him at a disability status, but with his illnesses he still managed to enjoy leisure activities with the family.

He lived and loved life to the fullest and down to his last dollar he left for all of us to divide. By the way, he fought his last fight until our Father called him home. He said he needed to be with Dad, Mom, Kevin and Pam.

He leaves to mourn: his sisters, Sylvia, Diane, Jeanette, Patricia, Marietta and Chantice; his brothers, Chester, Ernest and Mangus; his nieces, Monisha, Tenika; and so many other nieces and nephews just to name a few.

Your spirit will live in us forever our sweet gentle "Bo" we love you always and we live on for you until we meet again.

*Acknowledgement*

*The family wishes to express their deepest appreciation and sincere thanks for all acts of kindness shown to them in their time of sorrow.*
