

Never Say Goodbye

Each day is always a parting. When you leave to go on your way.

Many of us will hear someone say, goodbye, I'll see you later.

*I never like to say good-bye, for lovers it seems quite sad. Good-bye
can sometimes sound so cold, it can leave you empty, and feeling old.*

When friends, part for many long years, some may never be found.

*Some friends, changed when age encounters despair- truthfully,
I love to see my friends around.*

*To all I know, I simply say sp-long, it gives me hope to see you. Again I
say,*

*tho I maybe wrong, I never, say good-bye even now I say, so long,
I hope real soon to see YA!*
