Just Close Your Eyes And Open Your Heart

*Just close your eyes and open your heart
And feel your worries and cares depart...*

*Just close your eyes and open your heart...
Can you see me?*

*Can you feel my breath as I whisper in your ear?
Come closer can you hear me as I say?*

*I will be missing you all always!
Like an eyelash in your eyes,*

*I gently blow away those tears
Don't worry for I will always be here...*

*The many crossword puzzles I have so delightfully enjoyed over the years
I now circle my words in heaven smiling from ear to ear...*

I leave you all with this word to "Remember"

You will never need to search for me

Just close your eyes and just "Remember"...

You will never be without me...

I'm forever etched in your memory

I have a secret I want to share with you all

As I lay before you all fast asleep,

I pray the Lord my soul to keep...

God's newest angel anointed today...

Wow, my beautiful family is all here today...

Not to mourn but to celebrate!

We are Patterson's Washington's Burrell's Sims and Rivera's

Our heritage, our lineage will extend forever...

So. Just to close your eyes and open your heart

Today is not about me...

It's about Family once and for all!

So as I close my eyes and open my heart

LOVE is the last word I circle this day!
