

"When I am gone, release me.
 Let me go. I have so many things to see and do.
 You mustn't tie yourself to me with tears.
 Be happy that we had so many beautiful years.
 I gave to you my love.
 You can only guess How much you gave to me in
 happiness.
 I thank you for the love you each have shown,
 But now it's time I traveled on alone.
 So grieve a while for me, if grieve you must.
 Then let your grief be comforted by trust.
 It's only for a while that we must part,
 So bless the memories within your heart.
 I won't be far away, for life goes on.
 So if you need me, call and I will come.
 Though you can't see or touch me, I'll be near.
 And if you listen with your heart, You'll hear all
 my love around you soft and clear.
 And then, when you must come this way alone,
 I'll greet you with a smile and say
welcome home..."

Acknowledgement

The family would like to express their deepest gratitude and appreciation for all of the love, kindness and thoughtful gestures that have been bestowed upon them during this time of bereavement. A special thanks to Dr. Perez and his clinical staff. The Lloyd, Manns, and Pierce Family for their support and assistance. Asmaa'a and Gylnis for their musical selection. May God Bless You All!

Statement:

Dear God,

We know it was time for him to go home and even though we accept it, we'll miss him dearly.

You have given us such a beautiful person. A person full of laughter, heart, wisdom and courage. We appreciate the time you allowed us to have with him.

You've given us a man. The perfect symbol of a mentor to family and friends. We can't fathom how much joy we'll forever hold in memories.

You created a human version of yourself. Given the opportunity to learn love, all we can do is smile. He was our rock!

A formation of life greatest pleasures. He taught, listened and never judged. In him we trusted. We love him so much. He'll be a bundle of joy to have in Heaven.

Until we all meet again, Family

P.S. Remember he's a jokester. He'll pick on you too. No discrimination, no harm, all heart.
