

I'm Free

Don't grieve for me, for I'm free,
I'm following the path God laid for me;
I took His hand when I heard Him call
I turned my back and left it all.

I could not stay another day
To laugh, to love, to work or play;
Tasks left undone must stay that way,
I found that place at the close of day.

If my parting has left a void,
Then fill it with remembering joy,
Ah, yes, these things I too will miss,
Be not burdened with times of sorrow;
I wish you the sunshine of tomorrow.

My Life's been full, I've savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief
Lift up your hearts and share with me,
God wanted me now – He set me free
