Obituary

Bobby was born October 1, 1940 in Newark, NJ. He was the youngest of five children born to Dorothy Harvest and George Williams Sr. He was later sent to Hawkinville, Georgia and adopted by Adel McGriff and Reva Hill.

Bobby was a family man, he gave great pleasure in being around all of his family and friends. Whenever anyone of them were in need, he did everything in his power to help them.

He always said his wife Gail and his children Kim, Bobby Jr. and Marvin were his greatest accomplishments. He would light up when his grandchildren and great-grandchildren would visit him.

Bobby had the greatest sense of direction. He worked as an independent truck driver. He could fix almost anything. He worked for PSE&G for several years until he became ill. He lost his hearing in 2001. When he tried to have an operation for an implant, his heart beat dropped. He said, God didn't mean for me to hear anymore and I accept it.

Life didn't stop for him. He lived everyday as if it was his last and always said, that he was blessed.

He will be truly missed by his family, friends and neighbors.

We never missed a day without saying:

"I love you wife."

"I love you husband."

Rest in peace

Happy About Life

I never met a man who was so happy about life.

Whenever in hard times found strength in God,

His family, most of all his wife.

*I was with him when he was tired,
the days he was stressed those times*

I knew he was in pain,

*Yet if I asked if he was alright,
he would think for a second and say he was blessed*

*He taught me if I worked hard,
that I was never defeated*

*One of his favorite lines was treat people how you wish to be
treated.*

I just truly believe that Bobby McGriff was one of a kind

I know a lot of fathers, but real talk, I don't know one like mine

Marvin McGriff

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral piece if so, we saw it there.

Perhaps you spoke the kindest words as any friend could say.

Perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, We Thank You, Whatever the part.
