Obituary

Adrienne Yvonne Jackson, age 48, of Cambria Heights, NY passed away Saturday, September 29, 2012 at Winthrop University Hospital in Mineola, NY. Adrienne was the eldest of three children born, May 5, 1964 to Archie Jackson, Jr. and Murielle A. Jackson. So loving was she at birth, she was given the middle name of her mother “Adrienne”. Born in New York City, Adrienne spent her early, teenage and adult years in the Bronx and Queens, NY. Adrienne knew how to love, cherish and protect from an early age. From a young child through her teenage life, Adrienne was often seen caring and loving her sister and brother, Andrea Jackson and Archie Jackson III. There were many pictures taken of Adrienne holding her siblings, laughing and loving them as only she can. Adrienne’s love of others was not taught or learned from life’s experience. The way Adrienne chose to love you was a gift. In the name of Jesus through the intercession of Mary, Adrienne’s love for you was truly a gift from God. When Adrienne loved you, you felt her warmth and dedication towards you. No one loved more than Adrienne, for it came so natural to her. The magnitude of Adrienne’s love was only matched by her hearty laugh. When you heard her laughter, you had no choice but to laugh back and felt warm all-over.

After graduating from Cathedral High School in New York City in 1982 and continued her learning and enriching her life at several colleges in the greater New York City. Adrienne did not stray far from home. She worked at jobs with different companies, most notably as a security guard in the same area. Adrienne would have enjoyed traveling and often talked of going to Texas, Alaska and California. If you listen closely to Adrienne, she would tell you she could not be far from home. Why? Adrienne felt it was for her to love, provide and care for her father, Archie Jackson, Jr. Often you hear, there is no bond greater than a father and his son. However, there was one much greater, Adrienne’s loves her Dad! And nothing on earth or in the heavens would ever separate the two.

In her middle twenties, Adrienne suffered from diabetes and as the years continued, her health continued to decline. Adrienne’s hope and love of life as she wanted to live it never stopped. Even after amputation below her left knee. Adrienne continued to live life as she always would. The disease may have stricken her body, but her heart, mind and soul were free from her diabetes related illness.

So on this day we remember Adrienne fondly as one of her favorite sayings, “...get over it because I already have...” our response will forever be we will never forget or get over Adrienne. Adrienne’s flame was extinguished on September 29, 2012. Adrienne is survived by: her father, Archie Jackson, Jr.; her sister and brother, Andrea Jackson and Archie Jackson III. Adrienne leaves behind her aunt, uncle, niece, nephews, cousins, friends and those who loved Adrienne dearly.

Heaven Has Gained An Angel

*As you complete this temporary journey
you have embraced our hearts
Yes we mourn but realize this is where your life truly
starts your smile sparkled greater
than silver and gold We're willing to let go of your
hand so that God can grab hold . We will always love
you as you have continued to love us all we ask now is
that you look down while you are above us we are
grateful that God put us in the midst of your presence
we breathe with your memory and walk with your
essence. The Lord is our Shepherd He tends to us as
sheep and mends the hearts that are weak until one day
we can shake his hand and sit at his feet we don't think
of you as a loss to our family that remains We cherish
you as a beautiful angel that heaven has gained!*
