Ahmad's Life Story

Ahmad was best friends and twin brother to Rashad Jackson. Ahmad graduated from Malcolm X Shabazz High School in June of 2010. Growing up he played football. During his younger years he was a Police Explorer with aspirations to become a Police Officer or a Marine.

He was a very creative individual who liked working with his hands, very resourceful and mechanically inclined. He'd spend hours at the computer creating all kinds of forms and documents. He could fix anything, always there to lend a helping hand.

He got a joy from being there for the ones he loved. He could always make us laugh no matter what the circumstances. And when he walked into a room he didn't have to say a word he shined bright. He was loved by many. We will never forget him smiling, ear to ear! Ahmad's life ended abruptly December 27, 2012, but he will live on forever in our hearts and memories. Goodbye son, until we meet again. I love you Mom.

MY FAREWELL

*Our family circle has been broken link has gone
from our chain;*

*But though we are parted for a while,
We know we will meet again.*

*Sometimes it's hard to understand why certain
things must be, but there is a reason for it all,
beyond our power to see.*

*The cover of life's book is closed for one we
loved so well; But the loving deeds of
by-gone days are what the pages tell.*

*The blow was hard, the shock severe;
We never thought your death was so near.
But only those who have lost can tell
The pain of parting without farewell.*
