Fearless Courage Is the Foundation of Victory

*Life is envisioned with shut eyes made up dreams so deep we
carry the burden of not knowing who we really are*

Lost at times making a tunnel for yourself

You gave Life & Breeded seeds!!

*Yet all (7) of your kind became different personalities of
whom you hid inside*

A strong honor for this life to have you

A style of astonishing grace happened in nothing less

We loved who you were and who you are

Permanently beautiful stuck in the hearts of many

Grabbing hold to the memories of your presence

We salute you as a mother, friend, confident, a shield and rock

A phenomenal foundation even throughout the struggle of life

Fearless Courage Is The Foundation of Victory!!!

~Benita N. Johnson
