I Will Wait For You

I will wait for you...
Though we never had a chance to say goodbye.
Remember me....
When winter snows are falling through a quite sky
I'll remember you
When, in our darkest hour.
You held my hands and prayed I wouldn't go
But a silent voice called out to me;
My time had come, and I had to travel Home
Since then, I know your life has never been the same,
For I visit you each day:
So many times I've felt your pain;
I've watched you cry:
And I've heard you call my name....
But now, further along life's road I stand
In a timeless world, just beyond your sight,
Waiting for the day when I can take your hand
and bring you across to this land of Golden Light...
Till then, remember me, you understand and try not to cry.
But if you do: Let your tears fall
For the happiness and joy we knew,
And for the special love we shared,
For love can never die
