Obituary

Jessica Loren Georges was the oldest of three, one sister and one brother, born to Godfrey and Barbara Georges. She was born on September 17, 1986 in Newark, NJ. Her parents moved to South Orange, NJ when Jessica was five years old.

She attended Union Cerebral Palsy, then Millburn Regional Day School, and then attended and graduated at the Essex Day Training School.

On November 2nd, 2000, Jessica traveled to Atlantic City, NJ to receive an award from the New Jersey Commission for the Blind and Visually Impaired for best art painting submission for the Creative Expressions Contest. Her submission was done with the help of her teachers at Essex Day Training School.

In spite of her disability, Jessica enjoyed life to the fullest! She attended church regularly and traveled with her family to many places including parks, amusement parks, museums, libraries, and beaches. With the assistance of her family and school teachers, she enjoyed shopping, floating on water, bowling, wheelchair skating, and with assistance played kickball and baseball. She played board games with her family.

But, Jessica was best known for her radiant smile!!!

Jessica leaves behind her parents, Godfrey and Barbara; her sister, Ivana; her brother, Jeremy; her pet dog, Symba; grandparents; godparents, aunts, uncles, nephews, nieces, cousins, teachers, physicians, nurses, rehabilitation specialists and so many friends and well wishers.

I love the smile that lights your face.

Love the warmth

Of your embrace, I love the

Voice that says, "I care," love

Each little joy we share! I love

Your way of being sweet,

Of making my life so complete, of

Understanding, as you do-

I love you just because you're you!

Heaven's Very Special Child

A meeting was held quite far from earth!

It's time now for another birth.

Said the Angels to the LORD above,

This special child will need much love.

Her progress may seem very slow,

Accomplishments she may not know

And she'll require extra care.

From folks she's sure to meet down there.

She may not run or laugh or play.

Her thoughts may seem quite far away ;

In many ways she won't adapt

And she'll be known as handicapped.

So let's be careful where she's sent.

We want her life to be content.

So please Lord, find the parents who

Will do a special job for you.

They will not realize right away.

The leading part they're asked to play.

But with this child sent from above

Come stronger faith and richer love.,

And they'll soon know the privilege given.

In caring for this gift from Heaven.

Their precious charge, so meek and mild.

Is Heaven's Very Special Child.
