Reflections of Life

Patricia was born December 21, 1946 in Paterson, NJ. She was a graduate of East Side High School, Paterson, NJ. Soon after graduating she started her career as an Outpatient Registrar.

Patricia was a long term employee at St. Joseph's Hospital in Wayne, NJ for thirty-five plus years. There she became a "mother figure" and friend to many co-workers who referred to her as Mrs. Patty.

Mrs. Patty was loved by so many people. She made an impact on everybody she knew. Even though our family unit was small she was devoted to them. She was a beloved Daughter, Mother, Grandmother, Great-Grandmother and Friend.

Patricia departed this life on Thursday, July 18, 2013 at St. Joseph's Regional Medical Center joining her late father, Robert Caldwell.

She is survived by: her mother, Grace Caldwell; two daughters, Cheryl Reed and Adrienne Pate; ten grandchildren, Rushawn Reed, Azzure Goode, Kimada Reed, Almalik Reed, Jamell Reed, Rajon Reed, Kyla Reed and Ajanay Reed; six great-grandchildren, Ayden Reed, Aziah Fisher, Jasiel Goode, Rylee Eatman, Ny'lah Reed and Anari Eatman; and a host of other relatives and friends. You will truly be missed may you rest in eternal peace.

Dear Angel,

I can't believe that you're gone and I will never believe it. God took the most precious thing he could ever take from me/us. You are and still are the best that ever walked this earth in my eyes. You were kind, sweet, respectful and generous. Every one of those words added up to you. I can't say anything bad about you and I bet you nobody else can. You helped the society but they could have helped you in return. Ma I love you so very much you were my whole life. Without you I'll try to be the best you wanted me to be. I will never forget about you. You are a legend and your legacy will live on.

Love Always, Kick Kick Mada Mada

To Mrs Reed, Patricia,

Ever since I've been young and could remember, you have always played a big role in my life. As a strong black woman you played mother and father to me. Never letting your hopes and dreams down against me. On the other hand you were my best friend, truly my best friend words can't even amount to how much you mean to me. That's why the family use to say Grandma/ Ma there goes your husband 'cause we use to go back and forth like an old married couple (I really felt like your husband because I would make sure you were always okay) I'm glad that you never gave up on me and you understood me. Always telling me I could be whatever I put my mind to. I know you're in a better place now and you will be truly missed and loved.

Your Husband, Grandson and Best Friend, Rushawn Reed
