A Mother's Love

*A Mother's Love Is
Being happy for her children
When they are happy
Being sad for her children
When they are sad
Being together in good and bad times.
A Mother's Love is a source of strength
A Mother's Love Is
Being honest with herself at all times
Being honest with her children at all times
Talking, listening and respecting the truth and never pretending
A Mother's Love is the source of reality.
A Mother's Love Is
An understanding so complete that she feels
as if she is a part of her children
Accepting her children just the way they are
And not trying to change them into being something else
A Mother's Love is the source of unity.
A Mother's Love Is
The freedom to pursue her own desires while
sharing her experiences with her children
The growth of her individuality along with
the growth of her children's individuality
A Mother's Love is the source of success.
A Mother's Love Is
Knowing that her children will always be with her
Regardless of what happens
Missing her children when they pass
But knowing that they are near in her heart
A Mother's Love is the source of security.
Most of all a Mother's Love is Forever!*
