I GO TO PREPARE A PLACE FOR YOU

Quietly I heard the words.....

I go to prepare a place for you
Where there's no more pain or gloom.
We saw the stars as they lit up the sky...
and led right to your room.
You whispered to me, "I asked for time to see you all,
To let you know I'm done..
No matter what I do or did, my car just would not run,
So as I closed the hood down tight....
I just can't do no more....
I only want to close my eyes,
As I open my new door.
I did as you all asked me to...
"Just fight... fight... fight"...
But mommy told me, let it go...
If you're weak and tired it's alright,
You'll need your strength to travel home,
For yonder lies your surprise.
Not only will the Lord open the door for you,
But when he step aside...your FATHER will be there to welcome
you With open arms and a heart filled with joy".

Loving you always
Your mother, Betty Bradley
