# *After Glow*

*I'd like the memory of me  
To be a happy one,  
I'd like to leave an afterglow  
Of smiles when day is done.  
I'd like to leave an echo  
Whispering softly down the ways,  
Of happy times and laughing times  
And bright and sunny days.  
I'd like the tears of those who grieve  
To dry before the sun  
Of happy memories that I leave behind,  
When the day is done.*

## *Acknowledgement*

for their many acts of kindness shown at this time of sorrow.  
May God forever bless and keep you all.*
