## *To Those I Love....*

*When I am gone , just release me ,  
let me go, so I can move into my afterglow.  
you must not tie me down with your tears;  
let's be happy that we had so many years.*

*I gave you my love, you can only guess  
how much you gave me in happiness.  
I thank you for the love you each have shown,  
but now it's time I traveled on alone.*

*So grieve for me awhile, if grieve you must  
then let your grief be comforted with trust.*

*It's only for a while that we must part,  
so bless the memories within your heart.*

*And then, when you must come this way alone,  
I'll greet you with a smile and a Welcome Home!!*

*In tears I saw you sinking,  
and watched you fade away.  
Our hearts were almost broken  
because we wanted you to stay.  
But when we saw you sleeping  
peacefully, free from pain,  
How could we wish you  
back with us to suffer that again.*

*It broke our hearts to lose you,  
but you did not go alone.*

*For part of us went with you on  
Wednesday when God called you home.*

*Your Loving Family*

# *Life Is But A Stopping Place*

Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road,  
to sweet eternity.  
We all have different journeys,  
Different paths along the way,  
We all were meant to learn some things,  
But never meant to stay...  
Our destination is a place,  
Far greater than we know.
