Heaven Has Gained An Angel

As you complete this temporary journey
you have embraced our hearts
Yes we mourn but realize this is where your
life truly starts your smile sparkled greater
than silver and gold We're willing to let go of your hand so that
God can grab hold . We will always love you as you have continued
to love us all we ask now is that you look down while you are above
us we are grateful that God put us in the midst of your presence we
breathe with your memory and walk with your essence. The Lord is
our Shepherd He tends to us as sheep and mends the hearts that are
weak until one day we can shake his hand and sit at his feet we don't
think of you as a loss to our family that remains
We cherish you as a beautiful angel that heaven has gained!
