

Life Is But A Stopping Place

*When I'm gone, to those whom I love and those
who love me.*

*Release me, let me go. I have so many things to
see and do. You mustn't tie yourself to me with
tears, be happy that we had so many years.*

*I gave you my love and you can only guess how
Much you gave me in happiness. I thank you for
The love you each have shown me. But now it's
Time I traveled alone.*

*So grieve awhile for me if grieve you must, let
Your grief be comforted by the trust. Its only for a
While that we must part. So bless the memories
With your heart.*

*I won't be far away, for life goes on. So if you
Need me, call and I will come. Though you can't
See or touch me. I'll be near, and if you listen with
Your heart you'll hear all my love around you soft and
Clear and then when you must come this way
Alone. Ill greet you with a smile and say welcome home.*
