"A Family's Love"

*God must have known we loved you long before he let us meet!
God must have known you'd be the one, to make our life complete.
God must have known, the sight of you, would clear a cloudy day!
Your reassuring smile, and word's would chase all doubt away!
God must have known our love, would last throughout the years.
Being filled with happiness, instead of saddened tears.
And when we think of all the joy you brought with you
A moment oh so true, we find these five word's to say!
"Nikki We Will Miss You!"*

*Love The Family!
