## *My Change of Address*

*I received a call the other day from God, the Chief Architect. He informed me that my new home was complete. On Saturday, November 23<sup>rd</sup>, 2013 I moved in. It is located on an exclusive new estate behind the pearly gates surrounded by a beautiful lake. Billy and I live down the street from Mattie B and Bertie. Bennie, James and Dorthory live around the corner, Mother Alice and Daddy Billy has the biggest estate. Let me tell you it is truly wonderful to be back together again with my heavenly family.*

*As you know, the rocks are paved with gold and everyday is Praise Day. The Master and I walk in my garden without worries or cares. So please my dear love ones there is no need to cry or be saddened any longer, I want you to celebrate my home going. There is true peace, happiness, and joy here and of course there is no pain, headache, strife or discontent. Only sweet serenity.*

*We are all sitting at the Master's table reminiscing about the good times we enjoyed. The Lord has fitted me with my gold laced robe and clad wings so I need a new color for my hair. I could continue to go on and on about my new home but instead I am going to pray that you will get to move here yourself one day.*

### *Acknowledgement*

*The family acknowledges with deep appreciation all acts of kindness extended to them during this bereavement hour. May God bless you for all your thoughtfulness and concern.*
