*Through hard times you were there for us. A heavenly look always in your eyes. And with your love you strengthened four children's lives. You raised us up to be the best we could be and taught us all about God. You were strong through all the stress we caused and was always willing to put your life on pause. So thank you Mom for always being there for us.*

*Mommy where do I start lets start by saying you will always be in our hearts. Memories of you will never fade love will never go away. You held our hands when we were scared. When daddy died we thought we couldn't bare but you was always there.*

*To Our Beloved Mother*

*Mother you were such a good one,  
you raised us oh, so well  
You lived your life and grew in grace,  
No one else can take your place*

*No more pain and suffering will you endure we loved you so much, but God loved you more. He chose you to come through those pearly gates, Oh you are so much better in that perfect place. You were much more than a mother, you were our backbone, best friend, mentor and leader. We will always love you, and your memories will live with us for the rest of our life. We could not be so selfish to have you all for ourselves. We want to enjoy all of those magnificent memories that we have of you. You have emerged from this earthly shell, Now with God you will dwell.*
