Butterfly Kisses

Don't cry for me please don't be sad Hold on to the memories of the times we both had don't dwell on dark thoughts hold on tight to your wishes Sending you hugs and butterfly kisses I walk beside you I am there all day long I am right here but you think I am gone You don't see me but I can see you What ever the problems I will help get you through I am the wind in your hair the sand in your toes Butterfly kisses that you feel on your nose I am with you at sunrise and in sunset But you cant see me is my one regret I sit right beside you when you are sad As you look through the photos of times we both had I watch you sleeping I hold you so tight Before I go I kiss you goodnight I will watch over you from heaven above Forever you will be my one true love Hold on to your dreams and all your wishes Sending you hugs and butterfly kisses
