Life Reflections

Lamour Cherlon Fish was born September 14, 1972 in Elizabeth, New Jersey. She was the fourth and last child born to her proud parents Audrey and the late Rodrick Fish, Sr. She attended Linden High School where she developed numerous friendships.

Lamour was employed as a Construction Worker for Local 394 in Elizabeth, New Jersey for a short period of time where she worked side by side with her older brothers, Rodrick and Allen.

She was living with her grandmother, the late Anne Edwards when she had her first child in 1991. Her family grew to a total of four beautiful children.

Lamour had a love for fashion. She was a stylist to many, she LOVED to shop. Shopping and spending time with her grandchildren and family brought joy to Lamour's heart. She had an infectious smile that could light up any room. Lamour was selfless and kind-hearted woman who always thought of others; she was known to give you the shirt off her back if you needed it. The last three years of her life were spent enjoying her two grandchildren who knew her as "Nanny."

Lamour met the love-of-her-life, Patrick Belizaire in 2004. If you ask Patrick to describe their relationship, he would say, "She is my soul-mate; she is indescribable."

She was predeceased by her maternal grandparents: Anne and William Edwards, Sr.; paternal grandparents: Agnes and George Fish, Sr., and her brother, Tyrone Fish, Sr.

Lamour Cherlon Fish departed this life on Wednesday, March 5, 2014 surrounded by her family at her bedside at Rahway Hospital.

She leaves to cherish her memory, her mother, Audrey Fish; three sons: Cordell Pettis, Jr., Rocquan Morgan, and Patrick Fish; daughter, Najae Newborn; two brothers: Rodrick, "Pete" Fish, Jr. and Allen Fish of Linden, New Jersey; two grandchildren: Kayla and Amani Pettis; life partner, Patrick Belizaire; and a host of nieces, nephews, aunts, uncles, other relatives, Godfather, Darryl Thomas; Godmother, Gladys; Goddaughter Legacy Smith; and friends.

*Lamour, though you're gone
You're not forgotten
Your place on earth can
never be filled
We shall keep your memory sacred*

Lovingly submitted,
The Family

When Tomorrow Starts Without Me

When tomorrow starts without me, and I'm not there to see if the sun should rise and find your eyes, all filled with tears for me. I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say. I know how much you love me, as much as I love you, and each time that you think of me, I know you'll miss me too. But when tomorrow starts without me, please try to understand that an angel came and called my name, and took me by the hand and said, "my place was ready, in heaven far above and that I'd have to leave behind, all those I dearly love." But when I walked through heaven's gates, I felt so much at home. When God looked down and smiled at me, from His great golden throne. He said "This is eternity, and all I've promised you." Today for life on earth is past, but here it starts anew. I promise no tomorrow, for today will always last. And since each day's the same way, there's no longing for the past. So when tomorrow starts without me, don't think we're far apart. For every time you think of me, I'm right here in your heart.
