

In Loving Memory of

*To write about you
Is to number the stars in the sky
It's to describe the way the ocean kisses the shore
Over And over
Relentlessly to write about you
Is to try and put words to the feeling
My metaphors never descriptive enough quite to
capture how much you mean
to us from sunrise to sunset
You kept us upbeat with laughter and your love
You are in comparable
And now I know you are with God

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a floral piece If so, we saw it there.
Perhaps you spoke the kindest words as any friend could say.
Perhaps you were not there at all just thought of us on that day.
Whatever you did to console our hearts, We Thank You, Whatever the part.
