## Obituary

**Mamie B. Ghee** was born on December 7, 1924 in Louisburg, NC.

She departed this life peacefully on Sunday, April 27, 2014 at home in the presence of her loving family.

Mamie resided in Louisburg in the early years of her childhood. She later moved north to Montclair, NJ where she spent her formative years growing up and attended Montclair High School. Soon after graduating from Montclair High, she began working at the Bell Telephone Company in Newark, NJ for thirteen years in the Payroll Department. During her tenure there, she became a member of the "Telephone Pioneers Club" which she was very proud of. While Mamie was working for Bell Telephone, she also married her husband, Philip whom she had met at high school dances, her being a student at Montclair High and him being a student at East Orange High School at the time. Once they were married, she moved from Montclair to East Orange and eventually Maplewood where she raised her family and resided for the last forty-nine years. Mamie was a devoted wife, loving mother, friendly and compassionate person.

When time would allow, Mamie enjoyed dressing up and going to the theater whether to see a play with friends or the movies with her family. She loved to travel from time to time for vacation, her favorite place being the Caribbean Islands. At home, she enjoyed working on her small flower garden and in her later years, she enjoyed watching figure skating and Yankee games on television.

Mamie was predeceased by a daughter, Roslyn and surviving are her husband of fifty-nine years, Dr. Philip Ghee and her son, Michael, as well as many nieces, nephews, other relatives and friends.

# *Afterglow*

*I'd like the memory of me  
To be a happy one,  
I'd like to leave an afterglow  
Of smiles when day is done.  
I'd like to leave an echo  
Whispering softly down the ways,  
Of happy times and laughing times  
And bright and sunny days.  
I'd like the tears of those who grieve  
To dry before the sun  
Of happy memories that I leave behind,  
When the day is done.*
