*It broke our hearts to lose you  
But you did not go alone  
For a piece of us went with you  
The day God called you home  
A million times we'll miss you  
A million times we'll cry  
If love could have saved you  
You would have never died  
Now to your grave we'll travel  
And place flowers there with care  
Yet no one knows the heartache  
As we turn and leave you there  
If teardrops could build a stairway  
And heartache could build a lane  
We would walk a path to heaven  
And bring you home again.*
