## Obituary

**Anthony Andrews**, was born on December 25, 1954 to the late parents of Mr. and Mrs. Andrews. He was from the Florida area.

Later on, he made New York his home. Many people called him Tony. He was known to be a quiet, friendly and observant individual. He loved to tell a good joke. Also, Tony loved to share his many stories and experiences with anyone who listened. If Tony won you over with his art of persuasion, one could only do the most humane thing. He initiated conversations with all who came across his path. After awhile, you would think he was part of your family.

On April 21, 2014, Tony entered into rest. He will be remembered by all who considered him as family, but most of all he will be in the memory of God who knows and created all things for a purpose.

Tony leaves to cherish his memories: a host of community neighbors and friends. He will be missed.

*With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Revelation: 21:3,4*

Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment.
