

A portrait of an elderly African American man with a mustache, wearing a dark pinstriped suit jacket, a white shirt, and a striped tie. He is looking slightly to the right of the camera with a gentle expression. The background is a soft-focus landscape with mountains and a sky transitioning from blue to yellow, suggesting a sunrise or sunset.

## *I'm Free*

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard Him call  
I turned my back and left it all.  
I could not stay another day.  
To laugh, to love, to work or play.*

*Tasks left undone must stay that way,  
I found that peace at the close of day.*

*If my parting has left a void,*

*Then fill it up with remembered joy.*

*A friendship shared, a laugh, a kiss,*

*Oh, yes these things I too will miss.*

*Be not burdened with times of sorrow,*

*I wish you the sunshine of tomorrow.*

*My life's been full, I savored much.*

*Good friends, good times, a loved one's  
touch Perhaps my time seemed all too  
brief, Don't lengthen it now with undue  
grief. Lift up your heart and share with me,  
God wanted me now, He set me free!*

### *Acknowledgements*

every thought and act of kindness extended towards  
them during this time. May God bless you all.*
