## *To My Dearest Family,*

Some things I'd like to say..

But first of all, you need to know, that I arrived okay.  
I'm writing you from heaven where I dwell with God above.  
Here, there's no more tears of sadness, just eternal love.

Please don't be unhappy just because I'm out of sight.  
Remember that I'm with you every morning, noon and night.  
That day I had to leave you, when my life on earth was through,  
God picked me up and hugged me and said, "I welcome you."

God gave me a list of things that he wished for me to do  
And foremost on the list, was to watch and care for you.

When you think of my life on earth and all those loving years  
Because you're only human, there are bound to be some tears.  
But do not be afraid to cry; it does relieve the pain.  
Remember there would be no flowers unless there was some rain.

I wish that I could tell you all that God had planned.  
But if I were to tell you, you wouldn't understand.  
But one thing is for certain, though my life on earth is o'er.  
I'm closer to you now, than I ever was before.

Now I am content...that my life has been worthwhile  
Knowing that along this way, I made somebody smile.

### *Acknowledgement*

Perhaps you sent a lovely card or sat quietly in a chair.  
Perhaps you sent a floral piece If so, we saw it there.  
Perhaps you spoke the kindest words as any friend could say.  
Perhaps you were not there at all just thought of us on that day.  
Whatever you did to console our hearts, We Thank You, Whatever the part.
