*The world may never notice
if a rosebud doesn't bloom,
Or even pause to wonder
if the petals fall too soon.
But every life that ever
forms or ever comes to be,
Touches the world in some
small way for all eternity.
The little one we longed for*

*was swiftly here and gone,
But the love that was then planted
is a light that still shines on.
And though our arms are empty
our hearts know what to do,
Every beating of our heart says,
We will remember you.*
