# *We Only Wanted You*

*They say memories are golden  
well maybe that is true.  
We never wanted memories,  
We only wanted you.*

*A million times we needed you,  
a million times we cried.  
If love alone could have saved you  
you never would have died.*

*In life we loved you dearly,  
In death we love you still.  
In our hearts you hold a place  
no one could ever fill.*

*If tears could build a stairway  
and heartache made a lane,  
We'd walk the path to heaven  
and bring you back again.*

*Our family chain is broken,  
and nothing seems the same.  
But as God calls us one by one  
the chain will link again.*
