Stay

*Stay, that's what so many of us wanted to say
She said I'm sorry I have to go because God
has made a way away for me to look down
upon you A way for me to guide you through
The many obstacles that God has planned
And because of my strength I know you too
will stand What will we do without you?
She said live on that's what I want you to do.
Because know that I am still with you in
everything you do. Who will I talk to and
which way do I turn? She said turn to each
other, time and time again for there are
lessons to be learned. Learn from each other
no matter how old or young Because know that
you are all family so don't forget to behave as
one What about when I miss you and I just
want to see your face? She said just think of
me smiling at you in your most memorable
time and place. How do I know that you're up
there and that you're alright? She said I was
a good-hearted woman so God has received
me now and I no longer have to fight.*

Acknowledgements

the many expressions of love, concern and kindness shown
to their family during this hour of bereavement.*

May God Bless and Keep You!
