She is!

*She is wife, she is mother,
She is grand and great-grandmother,
Who tucked us all in under warm loving covers.
She dedicated her life, for us to live right,
Truly our sun which shines bright!
She is! She is sibling, she is friend,
She is the light for loving cousins,
She is daughter, she is the light of natural order.
She is calmness, the blend,
the morning smell from her GOD lit kitchen.
She is the yes, from my parents no!
Why would that be?!! Because grandma said so!
She is John Giles, she is Richard, she is Vincent,
The mother of twins! Leroy and Leon,
Loving grand and great-grandchildren.
She is wife, she is mother,
she is Sallie Dailey Giles,
The beating heart!
Loving grand and great-grandmother!*

After Glow

I'd like the memory of me to be a happy one,
I'd like to leave an afterglow of smiles
When the day is done.
I'd like to leave an echo whispering
Softly down the ways,
Of happy times and laughing times
And bright and sunny days,
I'd like the tears of those who grieve,
To dry before the sun
Of happy memories that I leave behind
When the day is done.
