Obituary

The late Carrie Sims and Winslow Dunston were blessed with the arrival of **Yvonne Williams (Haddley)**, who would be the younger of their two children, on November 28, 1961.

Yvonne met and married Darrel McLaurin at an early age. From this union one child, Yvonne Amina McLaurin, was born. Later in life she met and married Johnny Haddley who was very dedicated and devoted to her. She loved her husband, her daughter, and her three grandchildren very much.

Yvonne loved shopping at the mall. She had her own small selection of favorite stores including Express, New York & Company and The Limited. She also loved listening to music by Luther Vandross, Bobby Brown, and Naughty by Nature. She was not very spiritual, but when she felt the need for gospel, she listened to Kirk Franklin and Donnie McClurkin.

Yvonne loved spending time with her grandchildren and her husband. Her other time was spent teasing her daughter about how financially cautious she is with her money when it came to buying clothes and etc. Yvonne was a woman of fashion, and in her healthier days she was known for being a sharp dresser; nothing but the best for her feet and body. Unfortunately, her health started to take a toll on her body as she got older, and with the energy she did have she devoted her time to being a good listener to her daughter and having play time with her grandchildren.

Yvonne departed from this earth on Friday, June 19, 2015 at the age of fifty-three. She will surely be missed. Yvonne's strong will, will always be remembered and embedded in our hearts.

Yvonne leaves to cherish her memories: her loving husband of twenty-two years, Johnny Haddley; her daughter, Yvonne A. McLaurin and son-in-law, Desmon Sykes; three grandchildren, Dezinee S. McLaurin, Alexis D. Sykes and Devin J. Sykes; three ex sisters-in-law, Chyann Blair, Patricia Crews and Marlin Wise; one ex brother-in-law, John Crews; and a host of other family and dear friends.

Yvonne, you will always live in our hearts.....

Now That You're Gone

So much time will no longer be spent with you, but now there are no more days that you'll suffer through. Your suffering has ended and you are in pain no more. Your time has come to walk through Heaven's door. Don't be scared about what may wait you up ahead, just gracefully walk those small steps instead. And know that even though you are gone, everyone that is left behind will still be strong. We are stronger now knowing that you are watching over us, with that in mind going forward should not be a fuss. You can watch over us day in and out, and from above you will see what our life is all about. No one will forget you and you will never leave our heart, you are with us always and forever even when apart. Even though you are no longer here we can still carry on, because we have you as an angel now that you're gone.
