# My Last Party

When you come to my last party  
Don't come with faces long,  
But come with memories that are pleasant,  
In your heart, let there be a song.  
The place will be full of flowers,  
And I will be dressed grand.  
The only thing I shall be sorry for:  
I will not be able to shake your hand.  
When you come to my last party,  
I don't know yet how soon it will be,  
The daily paper will print the invitations  
That everyone might see.  
I am going to hold it in a church-like place,  
And no one will be turned away.  
At the place where I hold my party  
Many of my friends will come to pray.  
When you come to my last party,  
We won't play any games,

But there will be a register  
Where you may sign your name.  
As you stand there and sing my  
praises. In voices so silently,  
Telling each other or thinking  
Of what good things you know about  
me. When you come to my last party,  
My Lord will host,  
Because if is he 'mongst all my friends  
Who really loves me most.  
He bore my cross at Calvary.  
He bears my cross today.  
When you leave He will still be with  
me. To comfort me on my way.  
When you come to my last party,  
In spirit I'll be there,  
And as you stare at me  
Right back through closed eyelids  
At you I'll stare.  
And when you say that I look natural,  
That is as it should be,  
Because at my last party  
Who should look more natural than  
me? So, please enjoy my last party,  
It's up to God to take care of me now.
