When Tomorrow Starts Without Me

*When tomorrow starts without me and I'm not here to
see if the sun should rise and find your eyes
All filled with tears for me*

*I wish you wouldn't cry the way you did today
While thinking of the many things we did not get to say*

*I know how much you love me as much as I love you
each time that you think of me I know you will miss me too*

*When tomorrow starts with out me please try to
understand that an angel came and called my
Name and took me by the hand*

*The angel said my place was ready in heaven far above and
That I would have to leave behind
All those I Dearly Love*

*But When I walked through Heaven's Gates I felt so much
at home when GOD looked down and smiled at me
From His golden throne*

*He said This Is Eternity and All I promised
you today for life on earth is done but Here it starts a new*

*I promise no tomorrow for today will always last and
Since each day's the exact same way there is no longing for the past*

*So When Tomorrow starts without me do not think we're apart for
every time you think of me remember I'm right here in your heart.*
